

Better Health Chiropractic medical team of healthcare providers for automobile accident patients now includes the services of Dr. Kevin Huffman.

Dr. Huffman is an osteopathic physician with over 35 years of experience in injury care. He is part of our medical injury team, offering medical oversight of your injury care and medications when necessary.

Dr. Huffman is available 24/7 via our in-house medical telemedicine services, so you never have to wait days or weeks to see a medical injury physician. With a tap of your cellphone, you can see [Dr. Huffman](#) anywhere and anytime.

In addition to our comprehensive in-house chiropractic-rehab-medical services we work closely with other local medical experts such as neurologist, orthopedic physicians, pain physicians and surgeons to ensure you have access to the best care possible.

Together our team of physicians help patient's recover from their injuries quickly by using our unique comprehensive team approach.
